ABOUT ANJUMAN-I-ISLAM'S AKBAR PEERBHOY COLLEGE

The College was established on 16 June 1969 by the Anjuman-i-Islam, and is located on Maulana Shaukat Ali Road, Mumbai, midway between J. J. Hospital Junction and Grant Road Railway Station, Mumbai-400008. Initially, the institution was named Anjuman College of Commerce and Economics. In 1975, the College was dedicated to the memory of the late Akbar Peerbhoy, a distinguished barrister, philanthropist, educationist, and founder of the College. Since then, it has been known as Anjuman-I-Islam's Akbar Peerbhoy College of Commerce and Economics. The College is permanently affiliated with the University of Mumbai to conduct courses up to the Bachelor of Commerce (B.Com.) level. Degree Examination. In addition to B.Com., the College offers undergraduate programs such as Bachelor of Management Studies (B.M.S.), B.Sc. (Information Technology), B.Sc. (Computer Science), and Bachelor of Mass Media (B.M.M.). The institution also conducts certificate courses in Computer Programming (Software) and a Diploma in Business Management. At the postgraduate level, the College offers Master of Commerce (M.Com.) programs and introduced M.Sc. (Information Technology) in June 2007. The College also houses a centre affiliated with the National Council for Promotion of Urdu Language for promoting the Urdu and Arabic languages. The institution is committed to imparting quality education in the fields of Commerce, Economics, Management, Mass Media, and Information Technology, while also focusing on students' holistic development. Through a range of co-curricular and extracurricular activities, the College strives to nurture responsible and capable individuals who can contribute meaningfully to society. The College also has a recognised research centre in Commerce that promotes academic research and scholarly engagement.

ABOUT THE BYRAMJEE JEEJEEBHROY COLLEGE OF COMMERCE

The roots of the Byramjee Jeejeebhoy College of Commerce date back to 1891, when the Byramjee Jeejeebhoy Parsee Charitable Institution was established. The founder, Seth Byramjee Jeejeebhoy CSI, generously donated Rs. 3 lakhs to establish an educational institution. During that era, it was realised that education was needed to uplift the status of the community and the country at large.

The Byramjee Jeejeebhoy College of Commerce began its journey in June 1998, when the Byramjee Jeejeebhoy Parsee Charitable Institution felt the need to provide education at the University level. The Byramjee Jeejeebhoy College of Commerce is housed in an impressive Gothic building. This beautiful stone structure has received an award from the Indian Heritage Society, Mumbai. It also houses the school and junior college of commerce and science run by the Byramjee Jeejeebhoy Parsi Charitable Institution. The Byramjee Jeejeebhoy College of Commerce is co-educational and maintains open portals without bias based on caste, creed, religion, or regionalism, welcoming all cultures and religions. The college proudly offers a Bachelor of Accounting and Finance (BAF) program, nurturing future finance professionals with a strong academic foundation. The Byramjee Jeejeebhoy College of Commerce is most conveniently located in the heart of South Mumbai, Opposite Charni Road railway station. It is a landmark that is easily accessible by rail and road.

It is further distinguished by its receipt of the UNESCO Asia-Pacific Award of Merit in 2023, recognising its outstanding contribution to education and heritage conservation.

THEME OF THE CONFERENCE (25TH APRIL, 2026)

The vision of Atmanirbhar Bharat emphasises building a self-reliant and resilient India through innovation, entrepreneurship, and sustainable growth. Startups play a transformative role in this mission by developing indigenous technologies, generating employment opportunities, and strengthening local industries. By integrating sustainable development practices, these ventures ensure economic progress while protecting environmental and social well-being. The synergy between startups and sustainability encourages responsible innovation that addresses both national and global challenges. Through the collaborative efforts of policymakers, entrepreneurs, and academia, Atmanirbhar Bharat can foster a resilient economy capable of driving inclusive and sustainable development.

OBJECTIVES OF THE CONFERENCE:

- 1.To examine the role of startups in promoting the vision of Atmanirbhar Bharat by fostering innovation, employment generation, and strengthening indigenous industries.
- 2.To analyse the contribution of sustainable development practices in startup ecosystems and their impact on long-term economic resilience and environmental responsibility.
- 3.To evaluate the challenges, opportunities, and policy support required for startups to effectively contribute to self-reliant and sustainable economic growth in India.
